Principal's Message

In 2017, Luddenham Public School has been selected to be an Early Action For Success School (EAFS) to enable us to have an explicit focus on the literacy and numeracy achievements of our students in K-2. During this time we will have access to the most recent evidence based research to improve our teaching and learning practices across the early years of school to further provide our students with the skills and strategies to be successful learners. As part of this program, Mr Michael Frith will work in our school as an Instructional Leader on Mondays and Tuesdays over the next three years. On Monday and Tuesday this week Mr Frith and myself attended the Early Action For Success Leaders Forum in Sydney and we are very excited to be part of this initiative and we will be sharing our ideas, practices and achievements with our community along the way. We will also have a strong focus on developing and strengthening the expertise of our parents working in partnership with our school. Our successes will be measured through collection of data and evidence for all students K-3 in literacy and numeracy every 5 weeks. Stay tuned for more information in each newsletter.

Congratulations to our 7 students who represented our school at the recent Small Schools Athletics Carnival on Monday 20th February at Glenbrook Pool. You represented our school with pride and demonstrated your motivation to do your best. A special thank you to Jo Fisk and Charmaine Tyler for your assistance on the day. Mr Winterton also helped us out on the day and we were all very happy to see him. Well done Xavier, Rhyley, Blade, Ryan, Cameron, Daniel and Elise.

All parents are reminded to carefully read notes sent home and return notes and money by the due dates to enable our administration staff the allocated time needed to carry out the necessary tasks for these events to occur. Students are continually reminded during morning assemblies and in their classrooms of the notes that need to be returned. Your continued support and understanding is greatly appreciated.

Our school photo day is Thursday 2nd March. All photo envelopes need to be returned to school before the day with the correct money

in the photo envelope. On the day, the School Photographers will be directly collecting the envelopes from the office. If you would like your children to have a family photo, please contact the office for a separate envelope.

Congratulations to everyone who entered the Luddenham Show in 2017. Thank you Mrs Wacker for organising the school entries and well done to all students who received prizes or highly commended certificates.

Parents are reminded to follow the parking and traffic laws during drop off and pick up times. This week we have attached the fines and loss of demerit points schedule from NSW police. We greatly appreciate your continued support in this area.

Stage 3 Canberra Trip

Class 5/6 students were given a note today regarding the Stage 3 trip to Canberra in Term 4. The cost of the trip will be approximately \$360 which includes all meals (except recess and lunch on the first day), activities, accommodation and transport. A \$60 non-refundable deposit is due by Friday 31st March to confirm exact numbers. ***This deadline will not be extended.***

Learning and Support

Research indicates that for each hour of cognitive stimulation eg a parent reading or singing to them, a child's ability to concentrate later in the school context improves significantly. However, the benefit is dependent on the media used for reading. Many experts now suggest that reading from a screen is less effective than reading a traditional printed book. The reason is believed to be because ebooks and screens require much of the parents' time trying to control their child's manipulation of the device and managing the

child's book behaviour, whereas when reading a traditional book, parents and children spend more time discussing the story itself. Therefore children will gain greater understanding about the story when they hear it from printed format compared to an electronic platform. More information about this topic is available at <http://kathyhirshpasek.com/>

In this way please encourage your child to borrow from the school library regularly. We are very fortunate here at Luddenham PS to have an abundance of wonderful reading material available to all students and parents.

2017 Catchment Tour

On Tuesday 21st March 2017, Years 5 and 6 have been invited to attend a catchment tour program offered by Penrith City Council. The excursion is free as the Council will cover the bus transport costs.

The catchment tour has been developed to engage local students on water quality issues, teaching about the impact we have on our waterways through stormwater pollution, and introducing the concept of a catchment to the students.

It's a great day out of the classroom where students get the opportunity to learn about the environment in a fun and interactive way while becoming more aware of water pollution issues. Better yet it is a fully funded excursion and there is no cost involved. We will be departing school at **8.45am and returning to school prior to 3pm.** Students will be expected to be in full school uniform, including a school hat and school shoes. Recess and lunch will need to be brought to school in a small backpack and students must have a water bottle.

Please return the signed permission slip to the office by Friday 10th March 2017.

Swimming Carnival

On Monday 20th February 2017, 7 students represented Luddenham at the Small Schools Swimming Carnival at Glenbrook Pool. The students should all be very proud of their efforts - both in their events and their behaviour out of the pool. They were all respectful and responsible towards teachers from the other schools, assisting parents and grandparents on the day and each other. They competed in a range of events including 50m freestyle, breaststroke, backstroke and butterfly. All the students were encouraging towards each other and cheered everyone on. Well done Elise, Cameron, Daniel, Blade, Rhyley, Ryan and Xavier - you have all done yourselves and your school very proud.

The students got to catch up with a familiar face in Mr Winterton, who attended the carnival in his first official "spectator" capacity since retiring – although he couldn't help himself and still got involved, recording all the Luddenham results!! Thank you Mr Winterton – it was great to see you and a great help!! Thanks also to Charmaine Tyler for being a time keeper for the day. All 7 children stayed for the relays at the end of the day, where we managed to field 2 relay teams – a "little kids" and "big kids" relay team. A special mention to Xavier, who at only 7 years old, participated in both relays. After a 50m swim with the juniors, he quickly swapped lanes and swam another 50m leg with the "big kids". Super effort!! A great day had by all.

'ZERO TOLERANCE' OF ILLEGAL PARKING IN SCHOOL ZONES TO PROTECT YOUR CHILD

When it comes to the safety of vulnerable road users like school children, drivers found breaking the law will be met with zero tolerance.

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need you to take extra care when driving and parking around school zones

WHEN AN OFFENCE IS DETECTED A FINE AND 2 DEMERIT POINTS APPLY

Illegal parking around schools endangers children's lives.

If you've heard the expression "it's only a matter of time until someone gets hurt" then you understand why it is important for everyone to obey the road rules.

A child hit at an impact speed of 30km/hr has a 99% chance of surviving. At 70km/hr the chance of survival is less than 7%.
