Newsletter Term 2 Week 10

# NAIDOC Celebrations

I would like to take this opportunity to say happy NAIDOC Week. While we celebrated this week, the actual celebration is from July 3 – 10. This year's theme is Get Up! Stand Up! Show Up! This is something that our students can proudly say they did this week to the best of their ability. I would like to take this opportunity to thank everyone that was involved in making this week so successful. Whether it be our P and C for donating the boomerangs that our students decorated to Mrs Player and Adnum helping with the ochre face painting or the Western Sydney Airport and Sydney Zoo for their fantastic incursions, it really was a team effort. If you haven't already, I strongly suggest checking out all the pictures that have been posted on our school Facebook page to get an idea about the activities that took place.

# Student Voice - K/1/2 Class Report

Jethro and Evan have been put in charge of writing the K/1/2 report this week, here is what they had to say.

There has been so much going on in the K/1/2 classroom! We really enjoyed participating in the NAIDOC Week celebrations, our favourite things were making the wrist bands and doing our ochre paintings. On the playground, we have been playing with Hot Wheels on the grass track as well as playing soccer and basketball with our friends. In class, we have been focusing on the tricky “ou” and “ow” sounds, even though they are spelt different they can still make the same sound in words. We have also really enjoyed tub time and counting numbers on the big and little dominoes.

We hope everyone has a great holiday.

From Jethro and Evan, on behalf of K/1/2

# Student Voice - 3/4 Class Report

For the last few weeks 3/4 have been learning about the seven Elements of Art, these include line, colour, texture, value, shape, form and space. We have been able to create different types of art works using the elements. We made our own Elements of Art posters where we got the chance to learn about each of the individual elements. We created funky pop art style City Scapes focusing on bright colours. We used curved and straight lines to create our illusion art and we created our own Kandinsky Concentric Circles.

# Student Voice – Captains' Report

We are pleased to report that we are seeing lots of kids getting along with each other and sharing a lot. Our playground has been a happy place and we have even been given a few minutes of extra playtime as a reward.

We have all enjoyed lots of fun sport activities. The Challenge 2B Fit was so much fun and starting the week with Panthers on the Prowl was a good way to begin the week. We also had a basketball match against Orchard Hills PS. We had fun but it was a very challenging game.

We have had a great NAIDOC Week. It is always great to learn about culture. We think that most people really enjoyed all of the activities but especially the boomerang decorating and throwing.

Movie Day was fun and we thank the SRC for hosting it. We also thank the SRC for supplying us with Zooper Doopers each Wednesday.

It has been a great term. We hope that everyone has a great holiday.

Orion, Levi, Lucey and Tim

# Parking

Don't forget the Kiss and Ride area that is on Jamison Street must be used correctly. If you have parked in that area, please do not exit your vehicle to chat with other parents. This is often a point of frustration for parents that are wanting to pick up their child and get away from the school swiftly however are unable to, due to the congestion in the area.

**NO PARKING/  
KISS & RIDE AREAS:**

YOU MAY ONLY STAY 2 MINUTES &  
DRIVER MUST REMAIN WITHIN  
3 METRES OF THE VEHICLE

**Penalty \$194\* and

# Principal's Report

What a fun filled term we have had at Luddenham Public School. One of the many highlights has been seeing the parent engagement in our fortnightly assemblies, the number of people that have shown up to these has been truly amazing and we can't thank you enough for taking the time to come and celebrate our student's achievements with us. From the Athletics Carnival to School Sports Knockout and the Today Show visit and SRC Hoodie and Pyjama Day, this term really has had a taste of everything. I would like to take this opportunity to thank our fantastic students for their commitment to making this term so enjoyable. I would also like to thank our amazing teachers for the hours that they have put in to planning such amazing events for our students on top of providing engaging lessons in the classroom, this does not go unnoticed and we as a school community are so appreciative. Last but not least, I would like to thank all of the volunteers that give up their time to help out where they can at our wonderful school. Without your support, things like getting students to sport, running the canteen and fundraising for the school would not be possible. When we all work together, we can achieve amazing things.

I hope everyone has a safe and enjoyable winter break. Students return to school on Tuesday July 19. While it is hard to believe we are already halfway through the year, I can't wait to see what the second half of the year has in store for Luddenham Public School.
